The meeting was not held this month because of the annual Christmas Party.

**Central Florida Woodturners
Annual Christmas Party
December 17, 2007**

The Annual Christmas Party (or Super Show and Tell) was held at Central Christian Church in downtown Orlando. About sixty-six members and guests were in attendance. A potluck supper fed everyone well and all admired the many turnings placed on display.

Bob Walker, President, greeted everyone and thanked all who had worked hard during the last year in the club's activities. He reviewed the highlights of the past year. He also remembered John Jowett and Marv Murray who had passed away in 2007.

Stuart Lilie announced the slate for officers in 2008, which is the same as 2007. They are: Bob Walker for President, Rick Coffman for Vice President, David McNeeley for Treasurer, Susan Brooks for Secretary, and Richard Elenberger, Gene Gross, and Bill Wohlfart for the Steering Committee. Due to the recent passing of Member-at-Large Marvin Murray, the nominating Committee has not had a chance to address the remaining vacancy.

Categories for the competition are Novice, Intermediate, Advanced, Masters and Christmas Ornament. There are First, Second and Third place ribbons for each category. Winners in one category are expected to compete in the next higher category next year.

In the Novice category, First place was awarded to Rebekkah Barg, Second Place to Jesse Marquette and Third Place to Jim Bergmann.

For Intermediate, First Place was awarded to Peter Salazer, Second Place to Richard Elenberger and Third Place to Connie Lefebvre.

For Advanced, First Place went to Art Pataky, Second Place to Rick Coffman and Third Place to Jim Schoerer.

For Masters, First Place was awarded to Jeff Matter, Second Place to Henry Neidrick, and Third Place to Gene Gross.

For Christmas Ornaments, First Place went to Gene Gross, Second Place to Dave Barriger and Third Place to Bob Elliott.

Vendors who donated raffle prizes included WoodCraft, Packard Supplies, Craft Supply, Amazon Exotic Woods, Starbond Glue and others.
