

Steering Committee Meetings
Central Florida Woodturners
Casselberry Denny's October 15, 2009

Bob Walker called the steering committee to order at 6:00 PM.

The Treasurer reported a club bank balance of \$4730. He also reported that club dues were now due. Dues are \$30.00 local plus \$48 for the AAW.

Bob Walker announced that the Holiday Party will be held on December 17. People are needed for table setup at 10:00 AM and food setup at 6:15 PM.

It was agreed that turned pens would be a new category this year. Club members can enter only one entry, which can be a matched set. One can enter the pen category in addition to their main category (Novice, Intermediate, Advanced, or Master) and the ornament category. There will be first, second and third place awards in the pen category just as there will be in all the other categories.

It was suggested that the annual election meeting be moved to a month other than January to free up the January meeting for the special guests we usually have demonstrate at that meeting. Stuart said he would investigate what actions would be needed to change the dates and report back to the Steering Committee.

Rick Coffman announced planning for a three day hands-on class with Michael Mocho of New Mexico January 19-21st at Richard's workshop. Michael would also be our demonstrator at the January meeting.
