

Steering Committee Meetings
Central Florida Woodturners
Casselberry Denny's April 16, 2009

Bob Walker called the meeting to order at 6:00 PM. Attending were Stuart Lilie, Bill Wohlfart, John Russell, Harvey Driver, Jim Donovan, Gene Shields, Rick Coffman, Bob Walker, Bill Dalton, Robert Miller, Dave Barriger and David McCoy.

Bill Dalton reported a net balance of \$5509.45 in the club's account.

Rick Coffman discussed future demos:

April Al Hockenbery Ball within a Ball

May Tony Cortese, Carving

June Danny Hoffman, Eccentric Chuck

The Committee discussed meeting sites. Bob Walker suggested that Woodcraft remains our best alternative. However, with 50-60 paid members on average, we would not have the funds to pay \$150 per month. The Committee authorized Bob Walker to talk to Scott about a smaller fee.

The Committee authorized John Russell for up to \$75.00 for case to carry the club's DVD's.

Rick Coffman talked about the desirability of purchasing a wireless amplified sound system. Also there was discussion of upgrading to a high definition camera that recorded directly to disk.

Bob Walker will announce at the general meeting the open slots for our Central Florida Fair Demo this coming week.
