

Steering Committee Meetings  
Central Florida Woodturners  
Casselberry Denny's January 15, 2009

Bob Walker called the meeting to order.

Dave McNeely reported that the club's bank balance is OK.

There were no reports from the secretary or vice president.

John Russell reported that the Florida Symposium had a record year. No final figures are available but 220 persons paid to attend. The rooms were sold out. The symposium will probably be limited to 200 people next year. Next year the Symposium will be held January 15-17, 2010.

Stuart Batty suggested that we need better a wheel (Norton SG) for the grinder at Richard's shop. The club will work on this.

An acquaintance of Peter wants to store a lathe at Richard's shop, which the Club could use. This idea received several negative comments and was rejected.

Bob Walker announced the slate of candidates for tonight's election of officers.

John Russell is working on the club's library of tapes and DVDs. Only copies will be loaned. The question of a charge for renting club tapes and DVDs was raised. A majority vote approved charging \$1.00 for video rentals with the money going directly to the librarian.

Next month's demonstrator will be Fred Holder. He will demonstrate how to make a Chinese ball. He will charge \$50.00 plus mileage.
