

Steering Committee Meetings  
Central Florida Woodturners  
Casselberry Denny's March 19, 2009

Bob Walker called the meeting to order at 6:00 PM. Attending were Stuart Lilie, Bill Wohfart, Bob Varner, John Russell, Harvey Driver, Jim Donovan, Gene Shields, Rick Coffman, Bob Walker, Bill Dalton, Robert Miller, and Richard Ellenberger.

Bill Dalton reported a net balance of \$4515.14. Bill Dalton also reported we have 78 members on the books, but only 54 have paid dues for this year.

The SC agreed to send \$100 to AAW for their insurance program.

Bob Walker passed a sign-up sheet for the Central Florida Fair which begins the weekend after our April meeting.

There was an extended discussion about Scott's suggestion that we pay Woodcraft \$150 a month for meeting rental. No final decision was reached, but there was large agreement that we could not pay \$150 per month because that amount would use up all or most of our dues. There was some discussion of looking for additional space. Bob Walker will talk to Scott.

Membership Meeting  
Central Florida Woodturners  
Fern Park Woodcraft  
March 19, 2009

Bob Walker called the meeting to order. Forty three people attended.

Bill Dalton reported \$4515.14 in the treasury. Bill Dalton also reported we have 78 members on the books, but only 54 have paid dues for this year

Rick Coffman reported the following presentations for the next few months:

April	Al Hockenbery, A ball within a ball.
May	Tony Cortese, Carving Techniques
June	Will we meet?

Bob Walker thanked Dave Barriger for his and Sonia's great hospitality on forge day. Mike Allen was also recognized for doing the welding for the club members.

Bob Walker also acknowledged Bob Miller for the excellent and demanding work he does on the club Newsletter. An enthusiastic round of applause followed.

John Russell announced that the DVD's owned by the club are now listed on the internet. Rental is \$1.00 per month. John also has 180 VHS tapes he needs evaluated by members for their technical and substantive quality.

There was no wood for the auction.

Besides the regular show and tell of turned objects, only a few members brought the accessories they made on forge day. Consequently the meeting adjourned at 8:00 PM.
