

Steering Committee Meetings
Central Florida Woodturners
Casselberry Denny=s February 18, 2010

Rick Coffman called the steering committee to order at 6:00 PM.

Bill Dalton reported \$5407 in the club's banking account. He was given permission to move the banking account if the present bank continued to charge a monthly fee.

The committee reaffirmed its agreement to the purchase of a Delta Midi lathe at the approximate prices of \$525 Lathe, \$149 stand and \$65 for the casters. It was agreed to present this issue to the general meeting for approval today the 18th.

Rick Coffman announced we will be participating in the Central Florida Fair again this year the last weekend in February and the first weekend in March. Also Dave Barriger's forge and fun day will be February 27th.

Harvey Driver reported that next year's Florida Woodturning Symposium was be the first weekend in February (Super Bowl Weekend). Harvey also announced that because the Symposium paid \$7000 for the curtain dividing the two demonstration rooms, the seven participating clubs will not be receiving a disbursement this year. Attendance was at a record this year.

John Russell reported on the status of the video library. He may need more money.

Mike Allen will be a Forge and Fun day to do welding for the members.

David McCoy announced that the March meeting will be a special show and tell of tools and turnings and projects done at Forge day.

Membership Meeting
Fern Park Woodcraft
February 18, 2010

Rick Coffman called the meeting to order at 7:00 PM. Forty-eight people attended including eleven guests.

Bill Dalton reported a bank balance of \$4790.

Rick Coffman announced we will be participating in the Central Florida Fair again this year the last weekend in February and the first weekend in March. Also Dave Barriger's forge and fun day will be February 27th.

Bob Walker explained the procedures for demonstrating at the Central Florida Fair.

The club was asked to approve the purchase of the Midi Lathe for \$525. Gene Gross moved and Gene Shields seconded the motion to make the purchase. The vote was unanimous in favor of the motion to purchase the lathe.

Michael Mode gave an excellent demonstration of making bowls from segments cut from a flat piece of one inch lumber.
